At the end of this person's life, _____ tell about what happened at the end of this person's life/where and when they died/what they will be remembered for _____.

(Somewhere in this report, try to include something that person said, a quote.)

Put a caption here, explaining this person and his or her main accomplishment. Keep this part pretty short. (Also, get a really good picture of this person, like the one above)

Down here you need to write where you found this information. If you used more than one website, type both of them. This is really important!!!
