

Renaissance Man book

Directions: Use the directions found below to complete the six pages of the Renaissance man book.

Architect:

Design a city that would be pleasant and efficient for its' inhabitants. Draw, color and label a plan of your city. Use both pages for your city. Make sure to have everything you would need to live.

Painter:

*Paint or draw a scene using
linear and aerial perspective.*

Make sure to color it in.

Portrait:

Look carefully at the Mona Lisa. Then use it as the basis for a portrait of your neighbor. Make sure to color it. (Link to the Mona Lisa found on class website.)

Inventor:

Invent something that seems wildly improbable but that might become a reality 400 years from now.

Sketch your invention, label the parts and explain how it works.

Writer:

Practice using mirror writing.

*Write a 5-8 sentence
paragraph about your perfect
day or what would make your
day perfect.*

About the Man:

Using the link found on the class website, find and list 10 facts about Leonardo Da Vinci. Use complete sentences and number the facts.
