*Perry Ridge stated that he loves the use of Canvas. He is able to see what is required of his children. He feels it is easy to track. His children haven't really needed his help, but he knows what is being taught in case they do need help. Very pleased with how things are going on Canvas.*

*Discussion: 46 students were on "Home Study" at the beginning of the year. Currently there are 10 students on "Home Study" and six of those students should be returning to in-class instruction after Fall Break.*
