Is there an interest in the District Filtering Presentation?

There is no interest in having the district present filtering information to the council at this time. They have heard the presentation in the past and feel that the information shared at that time was adequate.

Ski School - Feb. 24, March 3,10, 17

Contact Heather Dabling at h_dabling@msn.com if you have more questions.

There has been a lot of interest in Ski School. We are currently working on the transportation piece. We will probably use the district busses to transport the students. Heather Dabling can answer any questions.

2021-2022 Data Presentation

Kim presented the Middle of the Year (MOY) school data for Language Arts, Math, Science, and Social-Emotional Learning. Discussed the challenges in learning/academics caused by CoVid and the different school schedules and inconsistent interventions due to using assistants to cover classrooms when needed.

Other?

Discussed the need to hire more assistants. Kim will send the link to the posting to Doug and he will share the link with the people in his "circles."

Doug asked how many new teachers were hired for the 2021-2022 school year and how many we will need to hire for Fall of 2022. For the 2021-2022 school year we hired:

2nd grade intern

2nd grade teacher (for one year only) due to not enough BYU interns this year

3rd grade teacher to finish out this year's contract for Mr. Jenkins

5th grade teacher

SpEd Teacher – half time teacher

Music Teacher – half time teacher

Two teachers changed grade levels

Teachers will need to complete a Letter of Intent form in February indicating if they will return for the 2022-2023 school year.
