## 2024-2025 Council Members & Elections/Voting

This is the second year for Barbie Osorio DeSoto, Dorie Kim, and Cameron Waqa.

We had three open parent seats for the 2024-2025 school year. During the two-week open period from September 1 to September 13, no parents expressed interest in serving on the council, so an election was not held (Election dates were Sept. 16-18).

### **Goals & Funding for 2024-2025**

Our goal for the 2024-2025 school year is that 80% of Kindergarten through 6th-grade students will make typical or above progress on the Acadience Pathways of Progress (POP) End of the Year (EOY) assessment. The Acadience assessment helps teachers determine how students are performing on essential reading skills. These critical reading skills include phonemic awareness, phonics, fluency, and comprehension.

Our goal for the 2024-2025 school year is that students in 3rd through 6th grade will increase their math scores by 3%, and students in 4th through 6th grade will increase their science scores by 3% as measured by the end-of-year RISE test data.

Funding Total: \$97,393.31

Para-educators will provide remediation and extensions for our Kindergarten through 6th-grade students.
